

## April, 2011

- The snow and ice are melting and we are eager to start building swimming pools again this spring! Come in today to discuss options for your new pool this year!
- Pool\*Spa\*Sauna Showroom is proud to have been part of an effort by Ontario manufacturers and businesses to have built a unique pool for a local young woman who was paralyzed in an accident and can now enjoy water therapy at home!

- We are expanding our line of chemicals to give our customers more price options. This line will include the ideal treatment for smaller splasher pools!
- We are hosting a 'Meet MAC' event April 30<sup>th</sup> at the Orillia store to raise money and donated items for the Orillia SPCA. See the details on the 'EVENTS' page.

- The Orillia store has assembled a team for the 2011 'Friends For Life' Walk-a-thon for the SPCA in May. Details available on the 'EVENTS' page.
- We now carry 'Barrel' Saunas. These traditional saunas are constructed from Canadian cedar, are easy to assemble and spacious. Come into the store and see our floor model.

- We now carry a new model of Hydropool hot tub: the '495' model has many of the features of larger Hydropool tubs at a small price ... they start at \$4995.00.
- Our service dept. is busy maintaining pools and spas for those who are seasonal or too busy and seek care free maintenance. We offer reasonable rates and top-notch service!

- We are having our spring '**Customer Evenings**' again this May in Orillia and Huntsville. Come out for some refreshments, door prizes and good information on pool & water care. This year the Huntsville store is having a '**Commercial Customer Evening**'. See our 'EVENTS' page for times and dates.
